⌂ HackHer420

Funds raised to date

$1247 / $3191

Start a new hackathon

Every year you should create a new hackathon object. Here you will set the fundraising goals (how much money and by when you need it). Each year's hackathon will also allow you to keep track of which the status of companies for every year.

Create Hackathon   **Manage Hackathons**

Sponsorships

Create a new sponsorship relation between your current hackathon and a given company.

Add new sponsorship   **Manage existing sponsorship**
